From Jane Skinner

Completed my Safeguarding Training today and received the message from Bishop Mike to the Diocese following reading the Makin Review. A time of remorse which must lead to readiness to act and be prepared as we share the responsibility of making our churches as safe as they can be. Being attentive, responding well and being familiar with how to report concerns are important for all of us. I'm glad to say that Rev. Jules Harris, Rector of Torridge Coastal Mission Community, has agreed to offer the Foundations training that is needed by a few people either in a location with Wi-Fi here or at Northam. That's very helpful as the interactions together enhance the learning experience greatly. I will agree dates soon and be in touch through our Safeguarding representatives. The amount and variety of events preparing our way to Christmas are growing, what a choice! Thanks to everyone involved in putting services and events on, it makes our lives together and anticipation of the coming of Jesus so much more meaningful and inspiring. Have a look at what's listed and be sure to enjoy some in the weeks ahead. *Jane*
